

Dear Madam and Sirs;

I am contacting you today to express my deep concern in regards to the CBA's intentions of interfering with the Telephone Privacy Laws.

I do not wish to receive endless and meaningless solicitation phone calls. This is the reason I had signed the do not call list in my state. I strongly feel that banks, or anybody else for that matter, should not be allowed to go back to the days of "phone terror are the least fitting times".

Please do not let this change pass.
